

SMART Goals Sheet

This worksheet helps you set goals that are Specific, Measurable, Achievable, Relevant, and Time-bound. Take approximately 30-60 minutes to complete this thoroughly.

Goal Identification

Describe Your Primary Goal *

e.g., Increase monthly sales by 20% through improved marketing automation...

Specific (S)

What exactly do you want to achieve? *

Provide a clear, detailed description of what success looks like...

Who is involved?

List key people, team members, or external organizations involved...

Where will this be achieved?

Specific context, location, online channels, or platforms...

Why is this goal important? *

Describe the core purpose, benefits, and reasons for pursuing this goal...

Specific Goal Summary

Synthesize the answers above into a specific goal statement...

Measurable (M)

How will you measure progress? *

Identify specific metrics, data points, or KPIs you will track...

What is the quantifiable target? *

e.g., 20% increase, 100 new signups, \$50k monthly revenue...

Measurable Goal Summary

Summarize how progress will be measured...

Achievable (A)

Is the goal realistic? *

Evaluate your resources, constraints, and capabilities to ensure it's realistic...

What steps are necessary? *

List the key high-level milestones or activities required...

Achievable Goal Summary

Summarize the feasibility...

Relevant (R)

Does this goal align with your broader objectives? *

Connect this goal to your long-term business strategy, values, or mission...

Why is it worthwhile? *

Explain why this is the right time and focus for your resources...

Relevant Goal Summary

Summarize alignment...

Time-Bound (T)

What is the deadline for achieving this goal? *

e.g., December 31, 2024...

What milestones will you set? *

Break down the timeline into check-in points...

Time-bound Goal Summary

Summarize the timeline...

Goal Summary (Narrative)

Your Complete Goal Summary *

Write a clear, cohesive narrative paragraph that integrates all SMART criteria...

Action Plan Steps

Action Item 1

What needs to be done?

Responsible Person & Deadline

Who will do it and by when?

Resources Needed

Tools, budget, or access needed...

Potential Obstacles & Solutions

Anticipated Obstacle

What challenge might you face?

Possible Solution

How will you overcome this challenge?
